

Dear Assignment / News / Business Section Editor

Hong Kong Institute of Certified Public Accountants takes disciplinary action against a certified public accountant (practising) and a firm of certified public accountants

(HONG KONG, 18 November 2013) — A Disciplinary Committee of the Hong Kong Institute of Certified Public Accountants reprimanded Ms. Poon Kin Ying (membership number A08740) and JBPB & Co. (firm number 0540) (collectively "respondents") on 28 October 2013 and ordered them to pay to the Institute a penalty of HK\$35,000, which should be shared by the respondents equally for their failure or neglect to observe, maintain or otherwise apply a professional standard issued by the Institute.

In addition, the respondents were ordered to pay the costs of the disciplinary proceedings of HK\$244,986.60, which included the investigation costs of the Financial Reporting Council of HK\$201,268.60.

JBPB & Co. audited the financial statements of a listed company in Hong Kong for the year ended 31 December 2007. Poon was the engagement partner of the relevant audit. The FRC's investigation of the audit revealed that the published price of the listed company's shares at the date of exchange was not used to measure the fair value of the consideration shares issued from various fund raising activities, and the intangible asset acquired through the acquisition was not measured at its fair value at the acquisition date. The respondents should have expressed a modified auditor's opinion on the financial statement. After considering the FRC's investigation report and information available, the Institute lodged a complaint against the respondents under section 34(1)(a)(vi) of the Professional Accountants Ordinance.

The respondents admitted the complaint against them. The Disciplinary Committee found that the respondents failed or neglected to observe, maintain or otherwise apply a professional standard issued by the Institute, namely Hong Kong Standard on Auditing 230 "Audit Documentation" in that they have failed to prepare audit documentation that provides a sufficient and appropriate record of the audit on the relevant areas.

Having taken into account the circumstances of the case, the Disciplinary Committee made the above order against the respondents under section 35(1) of the ordinance.

Under the ordinance, if the respondents are aggrieved by the order, they may give notice of an appeal to the Court of Appeal within 30 days after they are served the order.

The order and findings of the Disciplinary Committee are available at the Institute's website under the "Compliance" section at www.hkicpa.org.hk.

Disciplinary proceedings of the Institute are conducted in accordance with Part V of the ordinance by a five-member Disciplinary Committee. The majority (three members) of each committee, including the chairman, are non-accountants chosen from a panel appointed by the Chief Executive of the HKSAR, and the other two members are CPAs.

Disciplinary hearings are held in public unless the Disciplinary Committee directs otherwise in the interests of justice. A hearing schedule is available at the Institute's website. A CPA who feels aggrieved by an order made by a Disciplinary Committee may appeal to the Court of Appeal, which may confirm, vary or reverse the order.

The Disciplinary Committees have the power to sanction members, member practices and registered students. Sanctions include temporary or permanent removal from membership or cancellation of a practising certificate, a reprimand, a penalty of up to \$500,000, and payment of costs and expenses of the proceedings.

REASONS FOR DECISION

- (1) This is a complaint made by the Hong Kong Institute of Certified Public Accountants ("the Institute") as Complainant against the Respondents, who is a certified public accountant (practising) and a firm of certified public accountants respectively. Section 34(1)(a)(vi) of the PAO applied to the Respondents.
- (2) The particulars of the Complaint as set out in a letter dated 11 April 2013 ("the Complaint") from Mr. Chris Joy, Executive Director of the Institute to the Council of the Institute for consideration of the Complaint for referral to the Disciplinary Panels were as follows:-

BACKGROUND

1. Kiu Hung International Holdings Limited (now known as Kiu Hung Energy Holdings Limited) (the "**Company**") was incorporated in the Cayman Islands and its shares are listed on the Main Board (Stock Code: 00381) of the Stock Exchange of Hong Kong Limited.

2. The financial statements for the Company and its subsidiaries (the "**Group**") for the year ended 31 December 2007 (the "**2007 Financial Statements**") were stated to have been prepared in accordance with the Hong Kong Financial Reporting Standards ("**HKFRS**").
3. JBPB & Co (formerly known as Grant Thornton) ("**JBPB**") audited the 2007 Financial Statements. JBPB's audit report, signed and dated 25 April 2008, stated that the audits were conducted in accordance with Hong Kong Standards of Auditing. Ms. Poon Kin Ying, Doris was the engagement partner.
4. The consolidated loss and the consolidated net assets of the Group stated in the 2007 Financial Statements were HK\$8.4 million and HK\$449.1 million respectively.
5. JBPB expressed a modified opinion on the 2007 Financial Statements with an emphasis on the outcome of various fund raising activities which might affect the carrying amount of the goodwill and investment in the mining business arising from the Company's acquisition which took place in May 2007 (the "**2007 Acquisition**").
6. The 2007 Acquisition was partly paid by Consideration Shares. Assets acquired included an Exploration and Evaluation Asset which comprised an Exploration Licence.
7. In the financial statements for the year ended 31 December 2009 audited by a different firm of auditors, there was a retrospective restatement of the fair value of the net assets acquired in the 2007 Acquisition.

Report of the Audit Investigation Board

8. The Financial Reporting Council (the "**FRC**") on 19 November 2010, directed the Audit Investigation Board (the "**AIB**") in accordance with section 23(3)(b) of the FRC Ordinance, to investigate the audit of the 2007 Financial Statements for a possible auditing irregularity in respect of the accounting treatment of the 2007 Acquisition.
9. On 6 January 2012, the AIB sent its draft investigation report and the relevant sections of its draft report to JBPB for its comments. JBPB's responses contained in its letter to the AIB dated 10 February 2012 was included in the AIB's investigation report (the "**Investigation Report**") that was adopted by the FRC on 23 March 2012.
10. On 26 March 2012, the FRC referred the Investigation Report together with annexures to the Institute pursuant to section 9(f) of the FRC Ordinance.

11. In making the referral, the AIB considered that JBPB had failed or neglected to observe, maintain or otherwise apply a professional standard pursuant to section 34(1)(a)(vi) of the Professional Accountants Ordinance, Cap 50 ("**PAO**").

SUMMARY OF PRINCIPAL ISSUES

12. The principal issues relate to the failure by the Company to comply with paragraphs 24, 27, 36 and 37 of Hong Kong Financial Reporting Standard 3 *Business Combinations* ("**HKFRS 3**") in that the published price of the Company's shares at the date of exchange was not used to measure the fair value of the Consideration Shares issued for the 2007 Acquisition, and the intangible asset acquired through the 2007 Acquisition was not measured at its fair value at the acquisition date.
13. JBPB should have expressed a modified auditor's opinion on the 2007 Financial Statements regarding this non-compliance with HKFRS 3. Accordingly, there is non-compliance with the professional standards stated in the Complaints below.
14. The principal issues are explained in the AIB Report, which should be referred to for details. The issues and evidence will be further addressed in the Complainant's Case to be filed pursuant to the Disciplinary Committee Proceedings Rules.

 - "13. *Forming an opinion as to whether the financial statements give a true and fair view or are presented fairly, in all material respects, in accordance with the applicable financial reporting framework involves evaluating whether the financial statements have been prepared and presented in accordance with the specific requirements of the applicable financial reporting framework for particular classes of transactions, account balances and disclosures.... "*

- (a) the fair values, at the date of exchange, of assets given, liabilities incurred or assumed, and equity instruments issued by the acquirer, in exchange for control of the acquiree; plus
 - (b) any costs directly attributable to the business combination. "
- "27. The published price at the date of exchange of a quoted equity instrument provides the best evidence of the instrument's fair value and shall be used, except in rare circumstances. Other evidence and valuation methods shall be considered only in the rare circumstances when the acquirer can demonstrate that the published price at the date of exchange is an unreliable indicator of fair value, and that the other evidence and valuation methods provide a more reliable measure of the equity instrument's fair value. The published price at the date of exchange is an unreliable indicator only when it has been affected by the thinness of the market...."

"36. *The acquirer shall, at the acquisition date, allocate the cost of a business combination by recognising the acquiree's identifiable assets, liabilities and contingent liabilities that satisfy the recognition criteria in paragraph 37 at their fair values at that date*"
